

Wholesale terms for business customers

Norte Retail sells wholesale to companies with a Colombian tax ID (NIT). A business account is opened from the "Business" page and approved within 2 business days.

Minimum order A wholesale order must total at least 5,000,000 COP before VAT. Smaller orders from a business account are charged retail prices.

Volume discounts Orders from 5,000,000 to 19,999,999 COP get 8% off. Orders from 20,000,000 to 49,999,999 COP get 12% off. Orders of 50,000,000 COP or more get 15% off. Discounts apply to the order total before VAT and do not stack with price matching.

Payment terms Approved business accounts may pay by bank transfer within 30 days of the invoice date (net 30). The first three orders of a new business account must be paid in advance. A late payment suspends net 30 terms until the balance is paid.

Delivery Wholesale orders ship within Colombia only, on pallets, in 5 to 8 business days. The business must be able to receive pallets at the delivery address; a failed delivery is rescheduled once at no cost and afterwards charged at 180,000 COP.

Returns Wholesale orders can be returned only for manufacturing defects, within 15 days of delivery. Change-of-mind returns do not apply to wholesale orders.
